3. Not the Organizer of Sporting Activities

TeamThrive is a software platform only. TeamThrive does not organize, host, coach, supervise, officiate, or take part in any practice, game, tryout, training session, camp, or other athletic activity, and is not responsible for the conduct, decisions, safety, supervision, or qualifications of any club, coach, organization, official, volunteer, parent, athlete, or other person. In an emergency, contact local emergency services.

8. Assumption of Risk

Participation in sports and physical activity involves inherent risks, including the risk of injury. To the fullest extent permitted by applicable law, those risks are assumed by the participants and the responsible adults, and not by TeamThrive, which does not control or supervise any such activity.
