

Sound familiar?

4 unread texts in the team group chat

2 emails from the club – still unopened

Still don't know what time practice starts

Coach updated the schedule... somewhere

Payment reminder sitting in 3 different apps

Team Thrive puts it all in one place.

TEAM THRIVE

//

They work harder than most adults I know.

Early mornings. Late practices.
Competitions every weekend.
They deserve a platform that
keeps up with them.

You drove an hour to watch them play.

Then spent the whole warmup
digging through emails
just to find the start time.

Schedule buried in a text thread

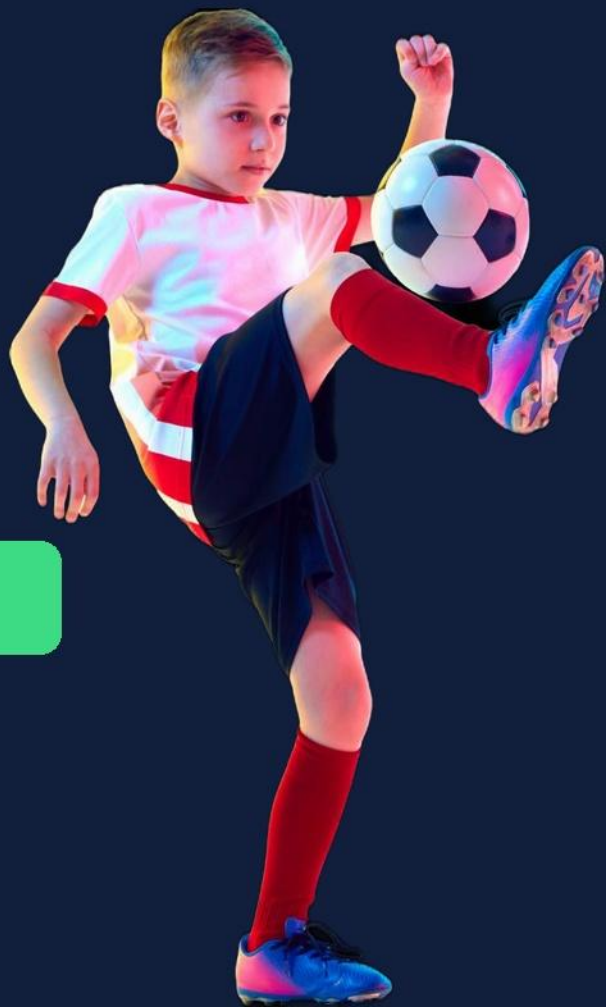

Payment link in a PDF somewhere

Roster update — which version?

You deserve better.

**Team Thrive organizes everything
before you pull into the parking lot.**

BEFORE

- Group chat overload
- Missed schedule updates
- 3 different payment apps
- No record of progress
- Recruiting? Figure it out.

VS

AFTER

- One app, all updates +
- Real-time notifications +
- One-tap payments +
- Full season stats saved +
- Recruiting profile: built +

The switch takes 2 minutes.

The difference is the whole season.
